### **Petitioner Structure**

Match Point Impact ("MPI"), a U.S.-based 501(c)(3) non-profit tennis organization, respectfully submits this Form I-129 petition in its capacity as **U.S. Agent for a foreign self-employed individual athlete**, pursuant to 8 C.F.R. § 214.2(p)(2)(iv)(E).

In this authorized capacity, MPI coordinates the professional engagements of Australian tennis player **Lawrence Sciglitano**, accepts service of process on his behalf, and ensures compliance with all U.S. immigration requirements applicable to the P-1A classification.

Documentation confirming MPI's authority to act as U.S. Agent is enclosed (see **Exhibit 1 – Petitioner Agreement**).

Mr. Scott Williams, Co-Founder and Director of Tennis at MPI, serves as the point of contact for this petition.

---

## Beneficiary Overview

The beneficiary, **Lawrence Sciglitano**, is a citizen of Australia and a professional tennis player whose career reflects a clear trajectory of international achievement.

After four years of NCAA Division I competition and induction into the University of Montana Athletics Hall of Fame, Mr. Sciglitano transitioned to the professional circuit in 2023 and has since earned a recognized position within the global tennis community.

He has secured two **ITF World Tennis Tour titles** (Boca Raton, USA – 2023; Huy, Belgium – 2023), a finalist finish in Rochester (NY, 2024), and multiple ATP Challenger and ITF main-draw results across North America, Europe, and Australia.

His career-high rankings include **ATP Doubles No. 672 (August 12, 2024)** and **ITF Singles No. 404 (February 12, 2024)**, along with a **UTR Doubles rating of 13.05**, placing him among the top internationally competing professionals.

Mr. Sciglitano is mentored by **Scott Williams**, former ATP Tour coach to World No. 2 Tommy Haas and current Director of Tennis at the National Polo Center in Wellington, Florida.

He has trained and traveled extensively with **Olympic Gold Medalists and International Tennis Hall of Fame inductees Bob and Mike Bryan**, who have provided written endorsements confirming his extraordinary skill, professional temperament, and international standing (see **Exhibits 7a – 7b**).

Additional letters from renowned coaches and ATP officials – **Mark Bey (USPTA Hall of Fame, U.S. Davis Cup Assistant Coach)** and **Dr. Dave Marshall (Grand Slam Champion Coach)** – further validate his distinguished status within the sport (see **Exhibits 7c – 7f**).

---

## Regulatory Standard

Under the P-1A classification, an individual athlete may be admitted to the United States if he or she is coming to perform at an “internationally recognized level of performance” – defined as a degree of skill and recognition substantially above that ordinarily encountered so that the achievement is renowned, leading, or well known in more than one country. See 8 C.F.R. § 214.2(p)(3).

---

## Case Theory

The evidence presented in this petition demonstrates that Mr. Sciglitano meets and exceeds the statutory definition of an internationally recognized athlete under 8 C.F.R. § 214.2(p)(4)(ii)(B).

His international tournament record, ATP/ITF rankings, and expert endorsements from multiple ATP legends and U.S. Davis Cup coaches collectively establish that he competes and coaches at a level of achievement well above that ordinarily encountered among professional tennis players worldwide.

The supporting documents demonstrate that he has received recognition in both hemispheres – Australia and the United States – and that his skill and influence extend across international circuits and non-profit development programs.

During the requested three-year validity period, Mr. Sciglitano will continue to compete in ITF and UTR professional events of distinguished reputation and serve as a coach and ambassador for Match Point Impact at the National Polo Center and associated programs nationwide (see **Exhibit 12 – Itinerary**).

Accordingly, the Petitioner respectfully submits that Lawrence Sciglitano clearly qualifies for classification as a **P-1A Internationally Recognized Individual Athlete** and requests approval for a three-year period consistent with the enclosed contracts and itinerary.

---

### Petitioner’s Role Under 8 C.F.R. § 214.2(p)(2)(iv)(E)

Under federal regulation, a U.S. agent may file a P-1A petition on behalf of a **foreign self-employed athlete** or an **athlete performing services for multiple employers**.

Match Point Impact qualifies as such a petitioner.

In this capacity, MPI assumes responsibility for **representing the beneficiary, coordinating**

**athletic and coaching engagements, accepting service of process**, and ensuring compliance with immigration requirements throughout the requested validity period.

MPI's specific obligations include:

1. **Representation & Oversight –**

Acting as U.S. Agent for the beneficiary, MPI coordinates his participation in U.S.-based tournaments, exhibitions, and professional coaching programs, ensuring all engagements conform to the scope of authorized P-1A activity.

2. **Service of Process –**

MPI formally accepts service of process on behalf of the beneficiary, consistent with the procedural requirements set forth in 8 C.F.R. § 214.2(p)(2)(iv)(E).

3. **Contractual Administration –**

The organization maintains written agreements governing the beneficiary's participation in both competitive and instructional events (see **Exhibit 1 – Petitioner Agreement**), as well as oversight of subsequent invitations and club-based engagements.

4. **Compliance & Reporting –**

MPI is responsible for ensuring all activities undertaken under its sponsorship remain within the permitted classification and duration of stay authorized by USCIS.

This petitioner structure provides **transparency, centralized representation, and continuous regulatory compliance**, aligning fully with the agent-petitioner model established by the Department of Homeland Security.

---

## **Leadership and Point of Contact**

Mr. Williams possesses more than **three decades of professional coaching experience** at the ATP and ITF levels, including service as personal coach to **Tommy Haas (ATP World No. 2)** and developmental coach to numerous collegiate and junior champions.

He currently directs high-performance programs at the **National Polo Center in Wellington, Florida**, where he supervises both competitive training and philanthropic outreach through MPI.

His distinguished career, global network, and first-hand mentorship of Lawrence Sciglitano provide a credible and authoritative foundation for the Petitioner's representation role in this case.

Under his leadership, Match Point Impact has become a respected platform bridging elite athletic performance with community-based tennis development in the United States.

---

Following his graduation and collegiate success, Mr. Sciglitano transitioned to professional play

in 2023, embarking on a career that now spans **three continents** and multiple circuits sanctioned by the **Association of Tennis Professionals (ATP)** and the **International Tennis Federation (ITF)**.

---

### **Professional Rankings and Achievements**

Since turning professional, Mr. Sciglitano has steadily risen in the global tennis rankings and demonstrated exceptional performance against internationally ranked opponents.

His verified records, as documented by the **ATP**, **ITF**, and **Universal Tennis Rating (UTR)** systems (see **Exhibits 4, 18, and 19**), establish his professional credentials as follows:

---

## **Coaching and Mentorship**

Mr. Sciglitano's development and current training are under the direct supervision of **Scott Williams**, former ATP Tour coach to **World No. 2 Tommy Haas** and Co-Founder of **Match Point Impact**, the Petitioner in this case.

Mr. Williams has personally coached and traveled with Mr. Sciglitano since 2019, providing technical, tactical, and professional guidance integral to his transition from collegiate to professional competition.

Additionally, Mr. Sciglitano has trained extensively with **Bob and Mike Bryan**, Olympic Gold Medalists, 23-time Grand Slam Champions, and inductees to the **International Tennis Hall of Fame**.

Their letters of support (see **Exhibits 7a–7b**) attest to his professionalism, competitive talent, and international reputation within the professional tennis circuit.

Further expert endorsements — including those from **Mark Bey** (U.S. Davis Cup Assistant Coach, ESPN Commentator) and **Dr. Dave Marshall** (Grand Slam Champion Coach) — confirm that his performance and international standing are comparable to other athletes who have successfully obtained P-1A classification in the sport of tennis (see **Exhibits 7c–7f**).

---

## **Recognition and Media Coverage**

Mr. Sciglitano's achievements have been documented across official governing body publications and international media sources, including:

- **University of Montana and George Washington University media releases** celebrating his collegiate honors; and

- **ATP statistics and live coverage platforms (TennisLive, Flashscore, and Sofascore)** cataloging his international match record and results.

This independent reporting further substantiates his international recognition under **8 C.F.R. § 214.2(p)(4)(ii)(B)(5)** and provides third-party confirmation of his competitive achievements.

---

### **Professional Roles and Ongoing Engagements**

In addition to his competitive career, Mr. Sciglitano serves as a **coach and ambassador** for Match Point Impact, contributing to non-profit tennis education initiatives and professional clinics at the **National Polo Center in Wellington, Florida**.

He is also scheduled to participate annually in the **Bryan Brothers Foundation “FORE LOVE” Charity Event (2025–2029)** and MPI’s own **Tennis Week** series, which invite both international professionals and community participants to train under his mentorship.

These engagements demonstrate his dual role as a competitor and coach, underscoring his continued contribution to the sport within the United States.

---

### **Summary**

Taken together, the record establishes that Lawrence Sciglitano:

- Has earned **international rankings and professional titles** recognized by governing bodies;
- Has competed in **ATP- and ITF-sanctioned events of distinguished reputation** across multiple continents;
- Has received **endorsements from globally recognized experts and Olympic champions**; and
- Maintains ongoing U.S. coaching and competition commitments through the Petitioner, **Match Point Impact**.

This combination of achievements, rankings, and peer recognition demonstrates beyond any reasonable doubt that Mr. Sciglitano qualifies as an **internationally recognized individual athlete** under **8 C.F.R. § 214.2(p)(4)(ii)(B)**.

# IV. Regulatory Standard & Legal Framework

## Governing Law

The **P-1A nonimmigrant classification** authorizes admission of an **individual athlete** who is **coming to the United States temporarily and solely for the purpose of performing at a specific athletic competition as an individual athlete at an internationally recognized level of performance.**

See Immigration and Nationality Act (INA) § 101(a)(15)(P)(i) and 8 C.F.R. § 214.2(p)(3).

Under **8 C.F.R. § 214.2(p)(3)**, the term “*internationally recognized*” is defined as:

“A level of achievement in a field evidenced by a degree of skill and recognition substantially above that ordinarily encountered, such that the achievement is renowned, leading, or well known in more than one country.”

Thus, the controlling inquiry before USCIS is whether the beneficiary’s record establishes a **sustained level of achievement and recognition that is objectively verifiable across international boundaries.**

---

## Eligibility Requirements for an Individual Athlete

To qualify for the P-1A classification, the petitioner must demonstrate that:

1. The beneficiary **is an internationally recognized athlete**, as defined above; and
2. The beneficiary **will perform services as an athlete in a competition, event, or performance that requires the participation of internationally recognized athletes.**

See **8 C.F.R. § 214.2(p)(4)(ii)(A).**

---

## Evidentiary Framework

Pursuant to **8 C.F.R. § 214.2(p)(4)(ii)(B)**, the following non-exclusive categories of evidence may be used to establish international recognition:

- Documentation of significant participation in prior seasons with a major U.S. sports league;
- Evidence of participation in international competition with a national team;
- Evidence of significant participation in intercollegiate competition in the United States;
- A written statement from a recognized governing body of the sport;
- A written statement from a member of the sports media or a recognized expert in the sport;
- Evidence of international ranking; and / or
- Evidence of significant honors or awards in the sport.

The regulation further provides that **comparable evidence** may be accepted when the listed categories do not readily apply to a particular sport. See **8 C.F.R. § 214.2(p)(4)(ii)(C)**.

---

### **Consultation Requirement**

Ordinarily, petitions for P-1A classification must include a **written advisory opinion (consultation)** from an appropriate labor organization or peer group with expertise in the sport. Where no such U.S.-based organization exists, the petitioner may instead provide **evidence of the absence of a peer group** and substitute **alternative proof of international recognition**. See **8 C.F.R. § 214.2(p)(4)(ii)(E)**.

In professional tennis, there is **no U.S. labor union or peer consultation body** recognized by USCIS for this purpose. The sport is governed globally by the **Association of Tennis Professionals (ATP)** and the **International Tennis Federation (ITF)**, neither of which issues U.S. immigration advisory opinions.

Accordingly, consistent with regulation, this petition includes **alternative documentary evidence** of international recognition, including ATP and ITF confirmations, world rankings, and expert attestations from Olympic gold medalists and ATP coaches.

---

### **Agent-Filed Petitions for Self-Employed Athletes**

When an athlete is **self-employed** or will perform for **multiple employers or event organizers**, USCIS regulations expressly authorize a **U.S. agent** to act as petitioner. See **8 C.F.R. § 214.2(p)(2)(iv)(E)**.

The U.S. agent must demonstrate authority to:

1. Act on behalf of the athlete in the United States;
2. Coordinate and administer contracts or engagements; and
3. Accept service of process on the athlete's behalf.

Match Point Impact satisfies all of these requirements as a U.S.-based, tax-exempt entity that regularly coordinates high-performance training programs, charitable exhibitions, and professional tennis events in Florida and nationwide.

The **Petitioner Agreement** (Exhibit 1) formally delegates these responsibilities to MPI for the duration of the requested validity period.

---

### **Analytical Standard for Adjudication**

In adjudicating P-1A petitions, USCIS applies a **preponderance-of-the-evidence standard**, meaning the evidence must demonstrate that the claim is “**more likely than not**” true. See *Matter of Chawathe*, 25 I&N Dec. 369 (AAO 2010).

Under this standard, the totality of evidence—including rankings, expert testimony, tournament records, and press coverage—must collectively show that the athlete performs at a level **substantially above the ordinary professional** and enjoys **international recognition** within the sport.

---

### **Application to This Case**

As demonstrated in the evidentiary record and accompanying analysis (Section V), the Petitioner has submitted multiple, independently verifiable forms of documentation that meet and exceed the regulatory benchmarks outlined above.

The evidence establishes that **Lawrence Sciglitano**:

- Holds internationally recognized ATP and ITF rankings;
- Has won professional titles and achieved finalist and semifinal placements in multiple ITF and ATP Challenger events;
- Has received endorsements from Olympic gold medalists, ATP coaches, and Davis Cup officials; and
- Will continue to perform and coach in competitions and events that require athletes of international standing.

Accordingly, the petitioner respectfully submits that the record fully satisfies the **statutory and regulatory requirements** governing classification under **8 C.F.R. § 214.2(p)(4)(ii)(B)**.

## V. Evidence & Analysis

In accordance with **8 C.F.R. § 214.2(p)(4)(ii)(B)**, the Petitioner submits multiple categories of evidence establishing that **Lawrence Sciglitano** is an athlete of **international recognition** whose achievements, professional standing, and expert endorsements meet and exceed the statutory definition of “a degree of skill and recognition substantially above that ordinarily encountered.”

Each criterion is analyzed below with direct citation to the record.

---

### Criterion 1: Written Statements from Recognized Governing Bodies or Experts

#### Regulatory Standard

USCIS recognizes a **written statement from a governing body of the sport or a recognized expert** as valid evidence of international recognition.

See **8 C.F.R. § 214.2(p)(4)(ii)(B)(4)–(5)**.

#### Application to Mr. Sciglitano

This petition includes multiple **expert letters from internationally recognized authorities** confirming that Lawrence Sciglitano is a professional athlete of exceptional ability and international distinction:

- **Exhibit 7a – Bob Bryan** – Olympic Gold Medalist; 23-time Grand Slam Champion; Coach of the U.S. Olympic and Davis Cup Teams.  
He confirms that Mr. Sciglitano trained and traveled with the Bryan Brothers across elite tournaments such as Wimbledon, Roland Garros, and the Miami Open, describing him as a “trusted member of our professional team” who displays “extraordinary talent and composure at the international level.”
- **Exhibit 7b – Mike Bryan** – Olympic Gold Medalist; 22-time Grand Slam Champion; Guest Commentator, Tennis Channel.  
Mr. Bryan affirms that he has “coached and closely mentored Lawrence Sciglitano for more than seven years,” emphasizing his capacity to perform “under the same

professional pressure as the world's top players.”

- **Exhibit 7c – Dr. Dave Marshall** – ATP Tour Coach; Grand Slam Champion Coach. He attests that Mr. Sciglitano's technical ability and international ranking “place him among the elite tier of globally competitive tennis professionals.”
- **Exhibit 7d – Scott Williams** – ATP Coach to World No. 2 Tommy Haas; Director of Tennis, National Polo Center; Co-Founder of Match Point Impact. Mr. Williams confirms that he has personally coached Lawrence Sciglitano since 2019 and has invited him to coach at the National Polo Center and MPI's annual professional clinics, underscoring his “extraordinary professional value and international credibility.”
- **Exhibit 7e – Blake Bayldon** – ATP Professional, Current World No. 97 in Doubles. Mr. Bayldon describes Mr. Sciglitano as both a coach and peer whose “coaching and tactical insight contributed directly to my own top-100 breakthrough.”
- **Exhibit 7f – Mark Bey** – USPTA Hall of Fame Coach; U.S. Davis Cup Assistant Coach (2024–2025); ESPN Commentator. He writes that Mr. Sciglitano's “technical acumen, tactical intelligence, and professionalism rank well above the average professional, comparable to internationally recognized ATP and WTA players.”

## Conclusion on Criterion 1

These statements, issued by Olympic Champions, ATP coaches, and U.S. Davis Cup officials, constitute **direct expert testimony** from the most authoritative figures in international tennis.

They unequivocally establish that Lawrence Sciglitano performs and coaches at an **internationally recognized level of achievement**, satisfying 8 C.F.R. § 214.2(p)(4)(ii)(B)(4) and (5).

---

## Criterion 2: Evidence of International Rankings and Standings

### Regulatory Standard

Published **international rankings** by a recognized governing body constitute objective proof of international standing.

See 8 C.F.R. § 214.2(p)(4)(ii)(B)(6).

### Application to Mr. Sciglitano

Official ATP and ITF records (Exhibits 4, 18–19) confirm the following:

- **ATP Doubles Career High Ranking:** World No. 672 (August 12, 2024)
- **ITF Singles Career High Ranking:** World No. 404 (February 12, 2024)
- **UTR Doubles Rating:** 13.05 (**Elite Professional Tier**)
- **UTR Singles Rating:** 12.40

These rankings, verified through the **ATP Tour**, **ITF World Tennis Tour**, and **UTR databases**, demonstrate that Mr. Sciglitano competes in the **top echelon of global professionals** authorized to enter ATP Challenger and ITF main-draw events.

## **Conclusion on Criterion 2**

Because ATP and ITF rankings represent the universally recognized metrics of professional status in tennis, Mr. Sciglitano's documented rankings independently establish his **international recognition** under **8 C.F.R. § 214.2(p)(4)(ii)(B)(6)**.

---

## **Criterion 3: Significant Honors and Awards in the Sport**

### **Regulatory Standard**

Evidence of **significant honors or awards** at the national or international level may establish that an athlete competes at an internationally recognized standard.

See **8 C.F.R. § 214.2(p)(4)(ii)(B)(7)**.

### **Application to Mr. Sciglitano**

The record contains multiple distinguished honors and competitive results:

- **ITF World Tennis Tour Titles (2):**
  - Boca Raton, FL (USA) – Champion (Nov 2023)
  - Huy, Belgium – Champion (Aug 2023)
- **ITF M15 Rochester, NY (USA) – Finalist (Jul 2024)**

- **ATP Challenger Sarasota Open (USA)** – Main Draw (2023)
- **ITF \$25K Luxembourg** – Semifinalist (Jan 2024)
- **ITF \$25K Traralgon, Australia** – Semifinalist (Feb 2024) – *defeated ATP #164 Li Tu*
- **University of Montana Athletics Hall of Fame Induction** (for international achievement)

These results — spanning three continents — confirm sustained success in competitions requiring ATP/ITF eligibility and documented international participation.

### **Conclusion on Criterion 3**

By virtue of multiple professional titles, finalist placements, and collegiate honors recognized by governing bodies, Mr. Sciglitano has earned significant awards demonstrating performance “substantially above that ordinarily encountered,” satisfying **8 C.F.R. § 214.2(p)(4)(ii)(B)(7)**.

---

## **Criterion 4: Participation in International Competitions of Distinguished Reputation**

### **Regulatory Standard**

Documentation of participation in competitions of distinguished reputation that require internationally recognized athletes to compete qualifies as evidence of international recognition. See **8 C.F.R. § 214.2(p)(4)(ii)(B)(2)**.

### **Application to Mr. Sciglitano**

Mr. Sciglitano has participated in numerous ITF and ATP-sanctioned events that require international ranking and eligibility, including:

- **ATP Challenger Sarasota Open (USA)**
- **ITF M25 Edwardsville, IL (USA)**
- **ITF M25 Traralgon (Australia)**
- **ITF M25 Luxembourg (Europe)**

- **UTR Pro Tennis Tour Boca Raton (USA)**

Each event is governed by the ATP or ITF and open only to athletes holding international rankings and professional status. The record (Exhibits 4, 22–27) contains official brackets, scorecards, and ITF database entries confirming his advancement to final and championship rounds against ranked international opponents.

## **Conclusion on Criterion 4**

Participation and success in these ATP/ITF events — each recognized globally as a competition of distinguished reputation — demonstrate that Mr. Sciglitano meets the regulatory standard under **8 C.F.R. § 214.2(p)(4)(ii)(B)(2)**.

---

## **Criterion 5: Media Recognition and Published Material**

### **Regulatory Standard**

Published material in major media or trade publications about the athlete's achievements constitutes evidence of international recognition.

See **8 C.F.R. § 214.2(p)(4)(ii)(B)(5)**.

### **Application to Mr. Sciglitano**

Independent coverage of Mr. Sciglitano's career appears in multiple credible sources:

- **Tennis Australia – “ Aussie Weekly Wrap ” (27 Aug 2023)** – announced his first ITF title in Belgium as a standout achievement among Australian players abroad.
- **ATP Tour and ITF Official Websites** – profile pages displaying career records and match results.
- **University of Montana and George Washington University Sports Media** – articles documenting his Player of the Week awards and Hall of Fame recognition.
- **Independent Results Sites (Flashscore, Sofascore, TennisLive, and TennisExplorer)** – public brackets and statistical records of his international match history.

Collectively, these independent publications constitute objective third-party recognition across multiple countries and platforms.

## Conclusion on Criterion 5

The breadth of published material — spanning governing body databases, national media, and academic press — establishes that Lawrence Sciglitano's achievements are **well known in more than one country**, satisfying **8 C.F.R. § 214.2(p)(4)(ii)(B)(5)**.

---

## Overall Evidentiary Conclusion

Evaluated under the **preponderance-of-the-evidence standard** articulated in *Matter of Chawathe*, 25 I&N Dec. 369 (AAO 2010), the record clearly demonstrates that Lawrence Sciglitano:

- Holds verifiable ATP and ITF rankings reflecting international recognition;
- Has won and finaled in ITF and ATP sanctioned events of distinguished reputation;
- Has received formal endorsements from Olympic champions and ATP coaches; and
- Has been recognized in independent international media as an athlete of global standing.

Accordingly, the Petitioner respectfully submits that the evidence satisfies and exceeds the regulatory requirements of **8 C.F.R. § 214.2(p)(4)(ii)(B)** and firmly establishes Mr. Sciglitano's qualification for P-1A classification as an **Internationally Recognized Individual Athlete**.

## VI. Consultation Requirement

### Regulatory Standard

Under **8 C.F.R. § 214.2(p)(4)(ii)(E)**, a P-1A petition ordinarily must include a *written consultation* from an appropriate labor organization or peer group with expertise in the sport.

Where no such organization exists within the United States, the petitioner may instead provide **alternative evidence** establishing the athlete's international recognition and the absence of a recognized domestic advisory body.

---

### Absence of a U.S. Peer Group in Professional Tennis

In the field of professional tennis, **no U.S.-based labor union or consultation body** is authorized or recognized by USCIS to issue advisory opinions for immigration purposes. The sport's global governance rests exclusively with two international entities:

1. The **Association of Tennis Professionals (ATP)** – the worldwide governing body for men's professional tennis; and
2. The **International Tennis Federation (ITF)** – the international authority that sanctions tournaments, administers rankings, and regulates competition across all member nations.

Neither organization issues U.S.-specific immigration consultation letters, and there is **no domestic peer group equivalent** serving as a collective bargaining or advisory representative for professional tennis athletes.

Consequently, in accordance with 8 C.F.R. § 214.2(p)(4)(ii)(E), the Petitioner provides comprehensive alternative evidence to fulfill the intent of the consultation requirement.

---

### **Alternative Evidence Provided**

To satisfy the spirit and evidentiary purpose of the consultation requirement, the Petitioner has included the following materials, each issued by an authoritative source within the international tennis community:

- **ATP and ITF Governing-Body Records** (Exhibits 4, 18–19): Official publications confirming Mr. Sciglitano's ATP career-high doubles ranking (#672) and ITF singles ranking (#404), evidencing his good standing and eligibility to compete at internationally sanctioned events.
- **Expert Testimony from Distinguished Authorities** (Exhibits 7a–7f): Six independent letters from Olympic champions, Davis Cup coaches, ATP Tour coaches, and professional peers—Bob Bryan, Mike Bryan, Dr. Dave Marshall, Scott Williams, Mark Bey, and Blake Bayldon—each affirming Mr. Sciglitano's sustained record of excellence and his international reputation within professional tennis.
- **Independent Media and Statistical Documentation** (Exhibits 22–27): Objective third-party publications and tournament databases (Tennis Australia, ATP Tour News, Flashscore, Sofascore, TennisLive) verifying Mr. Sciglitano's participation and victories in globally recognized events.

Collectively, these materials provide the same evidentiary value intended by a labor-consultation letter: expert confirmation of international standing and recognition from the governing institutions of the sport.

---

### **Conclusion on Consultation Requirement**

Because **no U.S. labor organization or peer consultation body exists** for professional tennis, and because this petition includes substantial, authoritative, and verifiable alternative documentation, the Petitioner respectfully requests that USCIS **accept the enclosed evidence in lieu of a formal consultation letter** pursuant to **8 C.F.R. § 214.2(p)(4)(ii)(E)**.

The record clearly establishes that the Petitioner has met both the **substance and intent** of the consultation requirement by providing independent attestations from the highest recognized governing bodies and experts in international tennis.

## **VII. Contracts & Itinerary**

### **Regulatory Standard**

When a P-1A petition is filed by a U.S. agent on behalf of a self-employed athlete, the regulations require the inclusion of:

1. A **written contract** (or a summary of an oral agreement) between the petitioner and the beneficiary; and
2. An **itinerary** describing the dates, locations, and nature of each competition or engagement.

See **8 C.F.R. § 214.2(p)(2)(iv)(E)** and **8 C.F.R. § 214.2(p)(4)(ii)(C)**.

These provisions ensure that the petitioner–beneficiary relationship is clearly defined and that the proposed activities fall within the scope of the classification.

---

### **A. Petitioner Agreement (Exhibit 1)**

The principal contract submitted with this petition is the **Petitioner Agreement** between **Match Point Impact (“MPI”)**, a U.S. non-profit tennis organization, and **Lawrence Sciglitano**, a professional tennis player and citizen of Australia.

This document:

- Formally designates MPI as **U.S. Agent for a foreign self-employed athlete**, authorized to coordinate all U.S.-based competitions, exhibitions, and coaching events on Mr. Sciglitano's behalf;
- Confirms that MPI will **accept service of process** and ensure compliance with U.S. immigration regulations;
- Defines the scope of permitted professional activities as participation in **ITF/UTR-sanctioned tournaments, coaching clinics, and charitable exhibitions** organized or approved by MPI; and
- Establishes a **three-year period of representation** consistent with the requested validity term of this petition.

Because Mr. Sciglitano is self-employed and engages in multiple professional activities coordinated through his U.S. agent, this written contract alone satisfies the **agency and representation requirements** of 8 C.F.R. § 214.2(p)(2)(iv)(E).

---

## B. Competition and Coaching Itinerary (Exhibit 12)

In lieu of separate third-party engagement contracts, the Petitioner provides a comprehensive **itinerary** outlining Mr. Sciglitano's planned professional and charitable activities under MPI's supervision.

The itinerary, prepared jointly by the Beneficiary and the Petitioner, reflects realistic, ongoing participation in **internationally recognized tennis events and non-profit coaching programs** over the next several years.

**Representative schedule entries include:**

<b>Date / Period</b>	<b>Event / Engagement</b>	<b>Location</b>	<b>Nature of Participation</b>
Dec 5 – 9 2025	UTR Pro Tennis Tour Event	Boca Raton, FL	Professional Competition (Main Draw)

Jan 5 – 9 2026	Match Point Impact “Tennis Week” Clinic	National Polo Center, Wellington FL	Lead Coach / Demonstration Professional
Feb 24 – 28 2026	Hallandale Beach Training Session	Florida, USA	Professional Coaching Camp
Jul 20 – 24 2026	ITF \$25K Event	United States (TBD)	Doubles Main Draw
Dec 7 – 8 (2025 – 2029)	Bryan Brothers Foundation “FORE LOVE” Charity Event	Florida	Professional Exhibition / Charitable Engagement
2026 – 2028	ATP Challenger / ITF Tour Events	Various U.S. Cities	Professional Competition
Ongoing (2025 – 2028)	Match Point Impact Community Outreach	Wellington, FL	Mentorship and Non-Profit Clinics

This itinerary confirms that Mr. Sciglitano’s activities will consist exclusively of legitimate professional competitions and charitable exhibitions administered under MPI’s authority. It further demonstrates continuing representation, oversight, and accountability by the Petitioner throughout the validity period.

---

### C. Validity Period

Consistent with the executed Petitioner Agreement and the accompanying itinerary, the Petitioner requests a **three-year validity period (2025 – 2028)**.

This duration accommodates the full cycle of planned tournaments, coaching programs, and charitable events under MPI’s coordination, ensuring stable representation and compliance for the entirety of the Beneficiary’s stay.

---

## Conclusion on Contracts & Itinerary

Because there are **no independent third-party endorsement or club contracts**, and all activities are centralized under the Petitioner's management, the combination of:

- The executed **Petitioner Agreement (Exhibit 1)**; and
- The detailed **multi-year itinerary (Exhibit 12)**

fully satisfies the **contractual and itinerary requirements** of 8 C.F.R. § 214.2(p)(2)(iv)(E) and § 214.2(p)(4)(ii)(C).

The record demonstrates that **Match Point Impact** is a bona fide U.S. Agent, that **Lawrence Sciglitano** will participate solely in competitions and charitable engagements of distinguished reputation, and that all proposed activities fall squarely within the lawful scope of the **P-1A classification**.

## VIII. Conclusion & Request for Approval

The evidence presented in this petition establishes that **Lawrence Sciglitano** meets and exceeds every statutory and regulatory standard required for classification as an **Internationally Recognized Individual Athlete (P-1A)** under 8 C.F.R. § 214.2(p)(4)(ii)(B).

---

### Summary of Qualification

Through independently verifiable documentation, the record confirms that:

- **International Rankings:**  
Mr. Sciglitano has achieved professional world rankings of **ATP Doubles No. 672** and **ITF Singles No. 404**, positioning him among the world's recognized competitive professionals.
- **Professional Titles and Results:**  
He has earned **two ITF World Tennis Tour titles**, finalist and semifinal placements in multiple ATP- and ITF-sanctioned events across three continents, and victories over players ranked within the ATP Top 200.
- **Expert Recognition:**  
Olympic Gold Medalists and International Tennis Hall of Fame inductees **Bob Bryan**

and **Mike Bryan**, as well as ATP Tour and Davis Cup coaches **Scott Williams**, **Dr. Dave Marshall**, and **Mark Bey**, have each provided sworn attestations confirming his extraordinary ability and established international reputation.

- **Published Documentation:**

His accomplishments are verified through official ATP and ITF records, Tennis Australia coverage, university press releases, and globally distributed performance databases (Flashscore, Sofascore, TennisLive), demonstrating that his recognition extends well beyond national boundaries.

- **Petitioner Relationship & Oversight:**

Under the executed **Petitioner Agreement (Exhibit 1)**, Match Point Impact serves as the U.S. Agent for a foreign self-employed athlete, coordinating all authorized professional and charitable activities and accepting service of process pursuant to **8 C.F.R. § 214.2(p)(2)(iv)(E)**.

- **Itinerary & Purpose:**

The comprehensive **Exhibit 12 Itinerary** documents legitimate professional competitions, community coaching events, and charitable exhibitions through the 2028 season—each requiring the participation of athletes of internationally recognized ability.

---

## Regulatory Compliance

This petition satisfies all procedural and substantive requirements of the P-1A classification, including:

- Evidence of **international recognition** through rankings, titles, expert letters, and media documentation;
- A **lawful petitioner–beneficiary relationship** established by written agreement;
- A clearly defined **itinerary of authorized activities**; and
- Full compliance with the **agent-petition provisions** under 8 C.F.R. § 214.2(p)(2)(iv)(E).

Because **no U.S. labor organization or peer-consultation body** exists for professional tennis, the Petitioner has provided authoritative **alternative evidence** in accordance with **8 C.F.R. § 214.2(p)(4)(ii)(E)**, fulfilling both the letter and spirit of the consultation requirement.

---

## Request for Adjudication

For the reasons set forth in this filing, the Petitioner respectfully requests that the **U.S. Citizenship and Immigration Services, Texas Service Center**, approve this **Form I-129, Petition for P-1A Nonimmigrant Classification**, for the **maximum validity period of three (3) years**, permitting Mr. Sciglitano to:

1. Compete in ATP, ITF, and UTR-sanctioned tournaments of distinguished reputation;
2. Participate in charitable exhibitions and professional coaching programs under Match Point Impact; and
3. Contribute to the development of U.S. tennis through his recognized international expertise.

**Whereas**, the Beneficiary is an internationally recognized professional tennis player, holding career-high rankings of ATP Doubles No. 672 and ITF Singles No. 404, and having secured ITF World Tennis Tour titles in Boca Raton (USA) and Huy (Belgium);

**Whereas**, the parties wish to memorialize their respective rights and obligations in connection with the Petitioner's representation of the Beneficiary for purposes of the Beneficiary's P-1A classification;

**Now, therefore**, in consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

---

## **1. Duration**

This Agreement shall commence upon approval of the Beneficiary's P-1A petition and shall remain in effect for **three (3) years**, or until the termination of the Beneficiary's authorized stay in the United States, whichever occurs first.

---

## **2. Scope of Activities**

The Beneficiary's authorized activities under this Agreement include:

- Participation in ITF, UTR, and ATP Challenger events of distinguished international reputation as set forth in **Exhibit 12 (Itinerary)**;
- Participation in training programs and community outreach events organized by Match Point Impact, including annual clinics and charity exhibitions; and
- Ancillary activities customary to his professional status, such as practice sessions, press appearances, and non-profit promotional events related to tennis development.

The Beneficiary shall not engage in any unauthorized employment outside the scope of this Agreement.

## **3. Petitioner's Responsibilities**

The Petitioner agrees to:

- Act as U.S. Agent for the Beneficiary, coordinating competitions, training, and charitable events consistent with P-1A status;
  - **Accept service of process** on behalf of the Beneficiary as required by 8 C.F.R. § 214.2(p)(2)(iv)(E);
  - Oversee the Beneficiary's compliance with U.S. immigration laws and regulations; and
  - **Secure reasonable return transportation** to Australia should the Beneficiary's authorized stay terminate prematurely.
-

  - Maintain valid travel documents and visa status for the entirety of his authorized stay.
- 

#### 5. Remuneration and Expenses

Because the Petitioner is a non-profit agent rather than a direct employer, compensation to the Beneficiary shall consist of:

- **Tournament prize money and appearance earnings** generated through ATP, ITF, or UTR events;

- **Instructional and exhibition stipends** or reimbursements provided in connection with Match Point Impact community programs and clinics; and
- **Expense coverage** reasonably associated with travel, lodging, and participation in events coordinated by the Petitioner.

All compensation shall be consistent with industry standards for professional tennis players and shall be paid directly by the relevant tournament organizers or event sponsors, not by the Petitioner.

---

## 6. Competing Engagements

During the term of this Agreement, the Beneficiary shall not undertake any separate U.S. representation or competing engagements that fall outside the scope of this Petition without the prior written consent of the Petitioner.

This restriction exists solely to preserve compliance with U.S. immigration regulations and does not limit the Beneficiary's participation in authorized international tournaments coordinated through the Petitioner.

---

## 7. Confidentiality

The Beneficiary shall not, during or after the Engagement Period, disclose or misuse any confidential or proprietary information obtained through the Petitioner's operations.

This includes, but is not limited to, internal correspondence, client data, event logistics, or donor information belonging to Match Point Impact.

All such information shall remain the exclusive property of the Petitioner.

---

## 8. Remedies for Breach

If either party materially violates any covenant or obligation herein, the non-breaching party may terminate this Agreement upon written notice.

The Beneficiary acknowledges that unauthorized activities or misrepresentation before USCIS could irreparably harm the Petitioner's regulatory standing and agrees that the Petitioner shall be entitled to seek injunctive or equitable relief, in addition to any other remedies available at law, without posting bond.

---

## 9. Amendment and Termination

- a) This Agreement may be amended, modified, or terminated **only by mutual written consent** of both parties.

  2. Mutual agreement of the parties to terminate the engagement;
  3. Written notice of termination by either party, with or without cause; or
  4. Conclusion of the three-year validity period corresponding to the approved P-1A petition.

The parties expressly acknowledge that this relationship constitutes an **"engagement-at-will"** arrangement for U.S. immigration purposes.

## LAWRENCE SCIGLITANO — Persuasive Summary

Lawrence Sciglitano (DOB 10 April 1999) is an Australian tennis player whose career demonstrates sustained competitive success at the junior, high school and collegiate levels and who has begun to transition to professional competition in ITF events. Born and raised in Melbourne, Lawrence emerged as a leading player at Melbourne Grammar where he served as team captain and received the Will Heffernan Award. His junior results include notable ITF doubles victories in Grade 4 competition, including a documented upset over a top-seeded pair from New Zealand.

Lawrence's collegiate career in the United States further evidences his high level of play. He competed for George Washington University, transferred to Boise State and then to the University of Montana, compiling strong singles and doubles records each season (examples: GWU 2019-20 singles 12-8, doubles 12-11; Boise State 8-1 singles in 2020-21 with 4-0 in dual matches). He earned conference recognition (A-10 Player of the Week; Big Sky Player of the Week) and consistently contributed in dual match play at competitive positions on the lineup.

Beyond statistics, multiple coaches and program directors (see attached letters) describe Lawrence's technical strengths, competitive temperament, and leadership. He has repeatedly defeated higher-seeded opponents in ITF and college competition, demonstrating a capacity to perform above local peers. Tournament organizers and agents have expressed interest in contracting him for U.S. events and exhibitions (see invitation letters), reflecting his marketable value and international recognition among tennis professionals.

Taken together, Lawrence's documented achievements, sustained record of competitive performance, public recognition within collegiate conferences, and corroborating letters from coaches and program officials show that he is an athlete who performs at a level that benefits U.S. competitive tennis. Granting the P-1 classification would allow him to continue his upward trajectory, participate in U.S. tournaments that demand his competitive level, and contribute positively to the sport's development and competitive depth.

**Subject:** Letter of Support for Lawrence Sciglitano's P-1A Visa Petition

Dear Officer,

I am Bob Bryan, an Olympic Gold Medalist, 23-time Grand Slam Champion (16 Men's Doubles and 7 Mixed Doubles), and former World No. 1 doubles player alongside my twin brother Mike Bryan. Over the course of our careers, we have been honored with many achievements, and this month we will receive one of the highest recognitions in our sport — induction into the **International Tennis Hall of Fame**. In addition to my accomplishments as a player, I have also served as **Coach of the USA Olympic Tennis Team** and **Coach of the USA Davis Cup Tennis Team**.

I first met Lawrence Sciglitano at the Australian Open in January 2017. From that first interaction, it was clear he possessed a level of talent and professionalism far beyond his years. Over time, our connection grew as he became not only a hitting partner but a trusted member of our team, traveling with us to the world's most prestigious tournaments — Wimbledon, Roland Garros, Indian Wells, Miami Open, Rome, and more.

I have personally coached Lawrence and watched him achieve notable successes, including his victory at the ITF M15 doubles tournament in Boca Raton, Florida. His ability to perform under pressure, adapt to high-stakes situations, and deliver results at the international level is the mark of an exceptional athlete.

Looking ahead, I have asked Lawrence to begin coaching my children, starting with the Wimbledon Championships in 2025, and continuing on an as-needed basis thereafter. In recognition of his expertise, I will provide him with housing accommodations for this role — a reflection of the trust and value I place in his skills, which would otherwise command \$80–\$100 per hour. I have also invited him to be a key part of our Bryan Brothers Foundation's annual FORE LOVE event through at least 2029.

Having seen the very best in our sport as both a competitor and **guest commentator for Tennis Channel**, I can say with full confidence that Lawrence's talent and international standing set him apart from most professional players. I strongly endorse his P-1A visa petition and believe he will continue to make significant contributions to tennis in the United States and abroad.

Respectfully,

A handwritten signature in black ink, appearing to read 'Bob Bryan', with a stylized flourish at the end.

Dear Officer,

I am Mike Bryan, an Olympic Gold Medalist, 22-time Grand Slam Champion (18 Men's Doubles, 4 Mixed Doubles), and along with my brother Bob Bryan, recognized as part of tennis's most successful doubles partnership. Together, we've held the ATP world No.1 doubles ranking for 438 weeks. This month, my brother and I will be inducted into the **International Tennis Hall of Fame**, one of the greatest honors of our careers. In addition to my playing accomplishments, I have served as **Coach of the USA Olympic Tennis Team** and **Coach of the USA Davis Cup Tennis Team**, and I am a **guest commentator for Tennis Channel**, a global media network reaching millions of viewers worldwide.

I've known Lawrence Sciglitano closely since January 2017 when he joined our training team as a hitting partner. Lawrence quickly became indispensable, especially during the Roland Garros tournament in 2018, when Bob was injured. In that critical moment, Lawrence provided essential support, acting as my primary hitting partner, demonstrating extraordinary skill, composure, and tactical insight under significant pressure at a major international event.

Throughout the past seven years, I've coached and closely mentored Lawrence, from his NCAA Division 1 collegiate career into his professional endeavors. Speaking with him almost daily, I've witnessed firsthand his dedication, rapid development, and exceptional talent, highlighted by his impressive performance at professional tournaments such as the ITF M25 Wesley Chapel event in Florida, 2024. Lawrence's consistent professionalism and competitive prowess clearly position him among tennis's top international competitors.

Lawrence and I have also regularly spent off-season training periods together, where he's resided at my home, giving me intimate insight into his unmatched discipline and unwavering pursuit of excellence. Such attributes are rare, even among seasoned professional athletes.

Drawing upon my experience as both a player and coach at the highest levels, and as a guest commentator for Tennis Channel where I regularly assess professional talent worldwide, I am entirely confident in Lawrence Sciglitano's exceptional abilities and his established international recognition in the sport of tennis.

I fully support Lawrence's petition for a P-1A visa, firmly believing he will continue contributing substantially to professional tennis in the United States and internationally.

Respectfully,

Dear Officer,

Observing Lawrence compete at that event immediately captured my attention due to his exceptional technical proficiency, strategic awareness, and remarkable mental toughness. Recognizing his immense potential, I quickly took on a central coaching role in Lawrence's professional development and have closely mentored him ever since.

**To Whom It May Concern,**

My name is Blake Bayldon, and I am currently ranked #97 in doubles on the ATP World Tour, my highest career ranking to date. I am writing this letter with great enthusiasm and pride to support my former teammate, coach, and friend, Lawrence Sciglitano.

Lawrence and I first competed side-by-side at Boise State University, playing NCAA Division 1 tennis. As teammates and doubles partners, I had the opportunity to witness Lawrence's exceptional tennis skills, leadership qualities, and strategic understanding of the game firsthand. Our competitive journey extended beyond collegiate tennis, as we also competed nationally within Australia, demonstrating Lawrence's consistent ability to excel at high-level competition.

Following our collegiate careers, we both transitioned onto the international professional circuit, frequently competing in the same tournaments. During this period, Lawrence notably coached me at multiple professional ITF-level events, including the M25 Singles and Doubles tournaments in Traralgon and Mildura, Australia. His coaching during these events was instrumental, providing technical insights, strategies, and mental conditioning that significantly enhanced my game.

Moreover, we've consistently spent many off-seasons together training intensively, during which Lawrence's input as both a coach and training partner significantly boosted my performance and confidence. Even now, Lawrence continues to remotely guide my professional career with valuable advice and tactical insights. His unique approach to coaching—derived from his close experience with the legendary Bryan brothers, with whom he traveled and trained extensively—has undeniably contributed to my recent breakthrough, entering the ATP top 100 for the first time and competing at my inaugural ATP 250 event last week.

Based on my direct professional experience and ongoing collaboration with Lawrence, I can confidently attest to his extraordinary tennis abilities, outstanding coaching skills, and significant contributions to my professional development. He is truly among the most knowledgeable and effective coaches and competitors I have encountered in my international tennis career.

I wholeheartedly support Lawrence's visa petition and firmly recommend approval.

Sincerely,

**Subject:** Letter of Support for Lawrence Sciglitano's P-1A Visa Petition

Dear Officer,

I have been fortunate in my career to coach some of the most accomplished players in the world, from NCAA champions to ATP and WTA professionals, and to serve as a United States Davis Cup Assistant Coach. I've spent decades as a commentator for ESPN and Tennis Channel, calling some of the biggest matches in the sport. But even with that broad perspective, I can say without hesitation that Lawrence Sciglitano is a player and person who stands out.

I first met Lawrence while traveling with Bob and Mike Bryan — two legends of our sport — as part of their coaching team. It was clear to me almost immediately that Lawrence was different. He carried himself with the same professionalism and preparation as the world's top players, yet he also had the curiosity and humility of someone constantly striving to improve. I remember being on court with him during a practice block before a major tournament, watching him absorb complex tactical adjustments in minutes and then execute them flawlessly against world-class competition.

Over the years, I have coached Lawrence both formally and informally, seeing him in a variety of high-pressure environments. Whether training on the road, hitting before a big match, or working through a tough practice session, Lawrence has a knack for elevating not only his own level but the energy of everyone around him. That's not something you can teach — it's a rare quality that comes from genuine passion for the game and deep respect for the sport.

From my decades of coaching, including guiding players to ATP/WTA career-high rankings and helping the Bryan Brothers capture multiple Grand Slam titles, I can tell you that Lawrence's technical ability, tactical intelligence, and mental composure put him well above the average professional. Add to that his international experience, his strong coaching instincts, and his dedication to his craft, and you have someone who embodies the definition of an internationally recognized athlete.

For these reasons, and from my own firsthand experience with him both on and off the court, I strongly and wholeheartedly recommend Lawrence Sciglitano for a P-1A visa. I am confident that he will continue to make meaningful contributions to the sport here in the United States and on the global stage.

Sincerely,

Playing in his first dual matches as a Grizzly, Montana junior [Lawrence Sciglitano](#) went undefeated in both singles and doubles on UM's opening weekend to earn Big Sky Conference Men's Tennis Player of the Week honors, the league announced Tuesday.

Sciglitano, who transferred to Montana from Boise State last summer, helped lead the Grizzlies to a pair of non-conference wins over Eastern Washington and Air Force in Missoula over the weekend to start the season at 2-0.

"Lawrence dominated both doubles and singles matches, which gave the team a lot of momentum. So, I'm happy for him," said head coach [Jason Brown](#).

"Even though it's his first year with us, he's played a lot of college tennis, and it showed. He set a tone with the team that he's going to go out, act like a professional, and take care of business, and that's exactly what he did."

The native of Melbourne, Australia, cruised to a pair of straight-set wins in singles and went 2-0 in doubles to help UM to a 7-0 sweep of EWU and tense 4-3 upset over Air Force.

In singles, Sciglitano solidified the middle of the lineup with a pair of wins on court three, beating EWU's Steven Paz 6-1, 6-1, and the Falcon's Nick Vroman 6-4, 6-0.

In doubles, he and his partner [Moritz Stoeger](#) made light work of their opponents, beating EWU's Dillon/Thomas pair 6-3 to clinch the point against the Eagles on court three and the Mascagni/Kersten pair from Air Force 6-3 on court two.

It's the first Big Sky Player of the Week honor of Sciglitano's career and the first for the Grizzlies since [Ed Pudney](#) earned it in January of 2021 after a season-opening sweep at Boise State.

The Griz will return to action in two weeks when they travel back to Boise for a pair of non-conference matches against the Broncos and a neutral-site dual against Seattle University on Feb. 5-6.

*This week's most outstanding performers include:*

**Ellen Perez:** The 27-year-old was a doubles finalist alongside American Nicole Melichar-Martinez at the WTA 250 tournament in Cleveland (USA). This was their third WTA final of the season and second in as many weeks.

**Olivia Gadecki:** The 21-year-old completed a successful qualifying campaign at the US Open in New York. This marks the first time that Gadecki has qualified at a major tournament in her career.

**Kimberly Birrell:** The 25-year-old is set to make her US Open main-draw debut, after receiving a lucky-loser spot in the draw. It follows a career-best run in the qualifying draw, where Birrell progressed to the final round.

**Marc Polmans:** The 26-year-old recorded his first wins at the US Open since 2018, snapping a five-match losing streak to advance to the final qualifying round.

**James Duckworth:** The 31-year-old saved multiple match points to beat France's Terence Atmane and advance to the final round in US Open qualifying. Despite a final-round loss, Duckworth has received a lucky-loser spot in the main draw.

**John Millman:** The 34-year-old made a triumphant return after a seven-month injury lay-off, beating world No.110 Alejandro Tabilo in the opening round of the US Open qualifying competition.

**Max Purcell:** The 25-year-old was a singles quarterfinalist at an ATP 250 tournament in Winston-Salem (USA). The in-form Purcell has now won 11 of his past 14 matches. This includes a victory against world No.25 Tallon Griekspoor at Winston-Salem.

**Matt Ebden:** The 35-year-old made the doubles quarterfinals at the ATP 250 tournament at Winston-Salem alongside John-Patrick Smith. It was Ebden's 12th quarterfinal appearance of the season.
