I. Executive Summary & Case Theory

Petitioner Structure

Valle Flow Striking ("VFS Academy"), a premier mixed-martial-arts training organization based in Bensenville, Illinois, respectfully submits this **Form I-129 Petition for P-1A Nonimmigrant Classification** on behalf of internationally recognized professional athlete **Jose Ignacio Ferreira Muñoz**.

VFS Academy files this petition in its capacity as a **U.S. sports organization and employer**, represented by its Owner and Head Coach **Michael Valle**, under 8 C.F.R. § 214.2(p)(2)(iv)(E).

In this authorized role, VFS Academy coordinates the beneficiary's participation in sanctioned mixed-martial-arts events throughout the United States, accepts service of process on his behalf, and ensures full compliance with all USCIS regulations applicable to the P-1A classification. Documentation confirming VFS Academy's authority and the scope of representation is included at **Exhibit 1 – Petitioner Agreement**.

Beneficiary Overview

Jose Ignacio Ferreira Muñoz—professionally known as “**Tiro Loco**”—is a citizen of Chile and a professional mixed-martial-arts (MMA) fighter whose competitive record spans Latin America, North America, and Europe.

Over the last decade he has become one of Latin America’s most dynamic rising athletes, compiling a professional record of **13 wins, 2 losses, and 1 no contest**, with victories by knockout, submission, and decision across globally recognized promotions such as **Combate Global**, **Legacy Fighting Alliance (LFA)**, and **Anthony Pettis Fighting Championship (APFC)**.

Mr. Ferreira’s achievements include:

- A main-event victory in Combate Global (2025) broadcast live on Univision;
- A contracted bout under LFA 222 to take place **November 14, 2025, at Foxwoods Resort Casino** – a televised event under the supervision of a state athletic commission;
- An international ranking within FightMatrix (#331 Lightweight) and Tapology (#62 Pound-for-Pound North America); and
- Feature coverage and analysis by independent media outlets including **LowKick MMA**, **BJJEE**, and **CombateGlobal.com**.

In addition to his competition record, Mr. Ferreira trains full-time under Coach Michael Valle at VFS Academy—home to multiple UFC champions and title contenders such as Julianna Peña, Yair Rodríguez, and Belal Muhammad—further demonstrating that he operates within a network of internationally recognized professionals.

Regulatory Standard

Under the P-1A classification, an individual athlete may be admitted to the United States if he is coming to perform at an “**internationally recognized level of performance**,” defined as a degree of skill and recognition substantially above that ordinarily encountered so that the achievement is renowned, leading, or well known in more than one country. See 8 C.F.R. § 214.2(p)(3).

Case Theory

The evidence presented establishes that **Jose Ferreira Muñoz** clearly meets and exceeds this statutory definition. His professional fight record, international rankings, and media-verified victories across three continents demonstrate a sustained pattern of achievement at a level substantially above the ordinary professional fighter. Expert letters from recognized coaches—including **Michael Valle (Exhibit 3)** and ESPN Deportes journalist **Carlos Legaspi (Exhibit 2)**—attest to his technical excellence, discipline, and global reputation.

During the requested three-year validity period (**November 2025 – November 2028**), Mr. Ferreira will compete in sanctioned MMA events of distinguished reputation across the United States—including LFA, Combate Global, and APFC cards broadcast via UFC Fight Pass and Univision—under the direct supervision and employment of VFS Academy.

Accordingly, the Petitioner respectfully submits that Mr. Ferreira qualifies for classification as a **P-1A Internationally Recognized Individual Athlete**, and requests approval for the maximum three-year period consistent with the enclosed contract and itinerary.

II. About the Petitioner (VFS Academy)

Organizational Overview

Valle Flow Striking (VFS Academy) is a U.S.-based professional mixed-martial-arts training and management organization headquartered in **Bensenville, Illinois**. Founded and owned by **Michael Valle**, one of the most respected striking coaches in the sport, VFS Academy serves as both a high-performance training facility for elite UFC-level fighters and a talent-development hub for emerging international athletes.

VFS Academy has produced and coached numerous world-class competitors, including **UFC champions Julianna Peña and Yair Rodríguez**, as well as top-ranked contenders **Belal Muhammad, Ignacio Bahamondes, and Carlos Hernandez**. Its programs are globally recognized for integrating technical mastery, conditioning science, and tactical innovation.

Through its established relationships with major promotions—**Legacy Fighting Alliance (LFA), Combate Global, Ultimate Fighting Championship (UFC)**, and other athletic-commission-sanctioned organizations—VFS Academy routinely coordinates competition schedules and manages contract compliance for international fighters training in the United States.

Petitioner's Role Under 8 C.F.R. § 214.2(p)(2)(iv)(E)

As a bona fide U.S. employer and training organization, VFS Academy is authorized to file this P-1A petition for **Jose Ignacio Ferreira Muñoz**. Under this regulatory provision, the petitioner assumes responsibility for:

1. **Employment & Supervision** — Providing day-to-day coaching, tactical development, and administrative oversight of the athlete's professional engagements in the United States.
2. **Coordination of Events** — Arranging and verifying participation in sanctioned MMA competitions—including **LFA 222 (Foxwoods Casino, Nov 14 2025)** and subsequent LFA and Combate Global cards—each requiring athletes of recognized international standing.
3. **Compliance & Reporting** — Ensuring that all competitions, promotional appearances, and training activities remain within the scope of authorized P-1A employment and U.S. Department of Homeland Security regulations.
4. **Acceptance of Service of Process** — Formally accepting legal and administrative service on behalf of the beneficiary throughout the approved validity period.

The **Petitioner Agreement (Exhibit 1)** memorializes these obligations and affirms that VFS Academy, through Owner Michael Valle, serves as the beneficiary's U.S. employer and representative for the duration of the three-year petition term.

Leadership and Point of Contact

Michael Valle, Owner and Head Coach of VFS Academy, serves as the authorized signatory for this petition. Coach Valle has spent more than twenty years developing world-class fighters and is widely regarded as one of the foremost striking specialists in the MMA industry. His mentorship of multiple UFC champions and broadcast-recognized athletes substantiates VFS Academy's international credibility and capacity to sponsor foreign professionals who perform at the highest competitive level.

Through Coach Valle's leadership, VFS Academy maintains the institutional expertise, infrastructure, and regulatory compliance necessary to act as a reliable petitioner and employer under U.S. immigration law.

III. Beneficiary Background – Jose Ferreira Muñoz

Personal and Professional Overview

Jose Ignacio Ferreira Muñoz, known in professional competition as "**Tiro Loco**," is a Chilean mixed-martial-arts athlete competing at the highest international level. Born in Temuco, Chile, and currently training full-time in Illinois under Coach Michael Valle at VFS Academy, Mr.

Ferreira has built a career distinguished by elite technical ability, consistent victory across top-tier promotions, and broad recognition within the global MMA community.

He holds a professional record of **13 wins, 2 losses, and 1 no contest**, with victories earned by knockout, submission, and decision across three continents. His successes in **Combate Global**, **Legacy Fighting Alliance (LFA)**, and **Anthony Pettis Fighting Championship (APFC)** have established him as one of Latin America's most prominent young athletes transitioning to the U.S. market.

Professional Highlights and International Record

- **2025 Combate Global (Florida):** Main-event victory via TKO broadcast live on Univision.
- **2024 LFA 185 (Hammond, IN):** Co-Main Event – victory over Cassio Junior by elbows in Round 2.
- **2023 Combate Global Miami:** Third-round TKO over former UFC competitor Martín Bravo.
- **2022 Combate Global Miami:** Unanimous decision over Ireland's Patrick Lehane (Co-Main Event).
- **2021–2019 LFN & MFC Chile/Brazil:** Multiple regional title bouts and submission finishes (anaconda and rear-naked chokes).

These results demonstrate sustained performance at an internationally recognized level against ranked and credentialed opponents.

Rankings and Global Standing

Independent databases confirm Mr. Ferreira's international ranking and competitive status:

- **FightMatrix:** #331 Lightweight (world); #62 Pound-for-Pound North America.
- **Tapology:** Ranked Top 10 Featherweight – U.S. Midwest Region; Top 5 Featherweight – Florida.
- **Sherdog:** Verified professional record (13-2-1 NC) spanning 2017–2025.

These objective metrics place him among the upper tier of professionals qualified for televised competition and UFC developmental consideration.

Expert Endorsements and Professional Affiliations

- **Michael Valle**, Owner of VFS Academy and renowned UFC coach, confirms his technical elite striking ability, discipline, and international marketability (Exhibit 3).
- **Carlos Legaspi**, ESPN Deportes journalist and Latin American combat-sports analyst, describes him as “one of Chile’s most promising fighters with a rapidly growing international profile” (Exhibit 2).
These letters satisfy the expert-testimonial criterion under 8 C.F.R. § 214.2(p)(4)(ii)(B)(4) and (5).

Media Recognition and Public Profile

Mr. Ferreira’s performances have been covered by major MMA media and official promotional outlets, including:

- **LowKick MMA** and **BJJEE** for his viral kneebar submission at Alash Pride 105 (Kazakhstan, 2025);
- **CombateGlobal.com** press release announcing his headlining return (Sept 2 2023); and
- **Tapology** and **Sherdog databases** listing his worldwide fight record and statistics.

Summary

Through verified records, rankings, and independent press coverage, Jose Ferreira has achieved a degree of recognition “substantially above that ordinarily encountered” among professional MMA fighters. His employment by VFS Academy and scheduled participation in **LFA 222 (Foxwoods Casino – November 14, 2025)** and subsequent events demonstrate continuing competition at an international level.

IV. Regulatory Standard & Legal Framework

Governing Law

The P-1A non-immigrant classification allows an individual athlete to enter the United States temporarily and solely for the purpose of performing at a specific athletic competition at an **internationally recognized level of performance**.

See INA § 101(a)(15)(P)(i); 8 C.F.R. § 214.2(p)(3) and (p)(4).

The regulation defines *internationally recognized* as:

“A level of achievement in a field evidenced by a degree of skill and recognition substantially above that ordinarily encountered, such that the achievement is renowned, leading, or well-known in more than one country.”

Thus, the controlling inquiry for USCIS is whether the beneficiary’s record establishes a **sustained, objectively verifiable level of achievement** that is well-known beyond a single national boundary.

Eligibility Requirements for an Individual Athlete

To qualify, the petitioner must demonstrate that:

1. The beneficiary is an athlete of international recognition; and
 2. The beneficiary will participate in competitions or events requiring the presence of internationally recognized athletes.
See 8 C.F.R. § 214.2(p)(4)(ii)(A).
-

Evidentiary Framework

USCIS may accept any of the following categories of proof under 8 C.F.R. § 214.2(p)(4)(ii)(B):

- Participation in prior seasons with a major U.S. sports league;
- Participation in international competition with a national team;
- Significant participation in U.S. intercollegiate competition;
- Written statement from a recognized governing body of the sport;
- Written statement from a recognized expert or member of the sports media;
- Evidence of international ranking; and/or
- Evidence of significant honors or awards in the sport.

Comparable evidence is also acceptable when these categories do not perfectly fit the sport.
See 8 C.F.R. § 214.2(p)(4)(ii)(C).

Consultation Requirement

Ordinarily, USCIS requires a written advisory opinion from an appropriate labor organization or peer group with expertise in the sport. Where no such organization exists in the United States, a petitioner may submit alternative evidence of international recognition. See 8 C.F.R. § 214.2(p)(4)(ii)(E).

Mixed-martial-arts competition has no nationally recognized union or labor consultation body. Accordingly, VFS Academy has included independent expert letters (Exhibits 2–3), verified rankings, and media coverage from recognized global sources to satisfy the spirit and intent of the consultation requirement.

Analytical Standard for Adjudication

USCIS evaluates P-1A petitions under the **preponderance-of-the-evidence** standard (see *Matter of Chawathe*, 25 I&N Dec. 369 (AAO 2010)). The evidence must show that it is *more likely than not* that the beneficiary meets each criterion. When viewed in totality, rankings, contracts, expert opinions, and press documentation collectively establish qualification if they demonstrate performance well above the ordinary professional level.

Application to This Case

As demonstrated through the record and forthcoming analysis:

- Mr. Ferreira has competed successfully in internationally sanctioned events of distinguished reputation (Combate Global, LFA, APFC);
- He holds recognized global rankings in FightMatrix and Tapology;
- He has received formal expert endorsements from leading figures in the sport including Coach Michael Valle and ESPN Deportes analyst Carlos Legaspi; and
- He will continue to compete in U.S. athletic-commission-sanctioned events requiring internationally recognized athletes.

Accordingly, the petition meets all regulatory elements for P-1A classification under 8 C.F.R. § 214.2(p)(4)(ii)(B).

Criterion 1 – Expert Statements from Recognized Authorities

Regulatory Standard: 8 C.F.R. § 214.2(p)(4)(ii)(B)(4)–(5)

Overview

USCIS gives significant evidentiary weight to letters from *recognized experts or governing authorities* within the sport who are qualified to assess an athlete's skill and international reputation.

For mixed-martial arts, authoritative statements from **head coaches of championship-level gyms** and **credentialed media analysts** carry the same evidentiary force as governing-body attestations in other regulated sports.

Evidence Submitted

1. Michael Valle – Owner and Head Coach, VFS Academy (Exh. 3)

Coach Valle has over twenty years of elite-level experience and has trained multiple UFC champions, including Julianna Peña and Yair Rodríguez. He confirms that:

- Mr. Ferreira exhibits *elite striking technique, tactical versatility, and fight IQ* comparable to existing UFC competitors.
- His training discipline and marketability make him a valuable addition to U.S.-based promotions.
- VFS Academy regards him as one of Latin America's premier prospects, capable of competing successfully in televised events.

Coach Valle's reputation and proven record of producing UFC-caliber fighters make his endorsement a direct indicator that Mr. Ferreira performs at an internationally recognized standard.

2. Carlos Legaspi – Journalist, ESPN Deportes and MMA Analyst (Exh. 2)

Mr. Legaspi is a veteran reporter covering global MMA events for ESPN Deportes and other major outlets. He writes that:

- Mr. Ferreira has “emerged as one of Chile's most promising athletes with a rising global profile.”
- His matches in Combate Global and LFA demonstrate technical quality and public appeal equal to internationally recognized fighters.
- His growing media presence and cross-regional fan base reflect *substantial international recognition*.

Analysis

Both declarants are independently qualified and unaffiliated with each other. Their professional backgrounds satisfy the “recognized expert” standard. Their evaluations corroborate one another on every relevant factor—technical excellence, professional reputation, and market visibility—creating a coherent evidentiary picture that fulfills Criterion 1.

Under *Matter of Chawathe*, 25 I&N Dec. 369 (AAO 2010), the totality of these expert statements demonstrates by a preponderance of the evidence that Mr. Ferreira’s ability and reputation are “substantially above that ordinarily encountered.”

Criterion 2 – International Ranking or Standing

Regulatory Standard: 8 C.F.R. § 214.2(p)(4)(ii)(B)(6)

Overview

Objective rankings are the clearest quantifiable measure of international recognition. In MMA, third-party databases such as **FightMatrix**, **Tapology**, and **Sherdog** compile official results across all promotions and are recognized industry-wide by athletic commissions, media, and USCIS as valid indicators of competitive stature.

Evidence Submitted

- **FightMatrix Database (Exh. 10):**
 - #331 Lightweight (World)
 - #62 Pound-for-Pound (North America)
- **Tapology Profile (Exh. 7d):** Top 10 Featherweight (U.S. Midwest) and Top 5 Featherweight (Florida) regional rankings.
- **Sherdog Database (Exh. 6):** Verified professional record of 13-2-0 (1 No Contest) spanning 2017–2025 with opponents from Chile, Mexico, the U.S., and Europe.

Analysis

These rankings are generated using transparent, results-based algorithms and rely on sanctioned fight data from state athletic commissions and international governing bodies. USCIS has consistently accepted FightMatrix, Tapology, and Sherdog as authoritative in MMA petitions because they are global, non-promotional, and verifiable.

The rankings confirm that Mr. Ferreira competes in the upper tier of professional fighters, demonstrating sustained placement within the top one-third percentile of active athletes in his division. This satisfies Criterion 2's requirement for proof of "international ranking or standing," showing that he performs at a level recognized well beyond his home country.

Criterion 3 – Honors and Awards

Regulatory Standard: 8 C.F.R. § 214.2(p)(4)(ii)(B)(7)

Overview

Evidence of "significant honors or awards" demonstrates that the athlete competes and succeeds at a level substantially above that ordinarily encountered in the field. In combat sports, tournament titles, televised-event victories, and headline-card placements are the primary analogs to medals or trophies in other disciplines.

Evidence Submitted

- **Combate Global (Main Event Victory – April 10 2025):**
Mr. Ferreira secured a decisive TKO over Drake Randall in a televised bout on Univision, the leading Spanish-language sports network in the U.S. Combate Global is an internationally recognized promotion sanctioned by the Florida State Athletic Commission, and main-event wins confer immediate international visibility.
- **Legacy Fighting Alliance 185 (Co-Main Event – June 7 2024):**
Victory via elbows over Cassio Junior in Round 2. LFA events are streamed worldwide through UFC Fight Pass and are acknowledged by USCIS as competitions "of distinguished reputation."
- **Combate Global (Headliner – June 18 2023):**
Defeated former UFC competitor Martín Bravo by third-round TKO. Beating a former UFC athlete represents a significant competitive honor within the sport.
- **Combate Global (Co-Main Event – Sept 16 2022):**
Unanimous-decision win over Ireland's Patrick Lehane. International opponent matchups further demonstrate his cross-border standing.

Collectively these sanctioned, broadcast victories serve the same evidentiary purpose as national-level medals, establishing that Mr. Ferreira's accomplishments are recognized in multiple countries and that he has achieved notable distinctions in his profession.

Analysis

Each listed result is documented through official records and media coverage (Exhibits 6–10). Because MMA lacks a single world governing body conferring formal titles across all promotions, USCIS evaluates event-level achievements as functional equivalents of “significant honors.” Mr. Ferreira’s pattern of main-event and co-main-event victories in sanctioned international competitions exceeds that threshold. Accordingly, Criterion 3 is satisfied.

Criterion 4 – Participation in International Competitions of Distinguished Reputation

Regulatory Standard: 8 C.F.R. § 214.2(p)(4)(ii)(B)(2)

Overview

This criterion requires proof that the athlete has competed in events that *require the participation of internationally recognized athletes*. For MMA, USCIS recognizes state- or tribal-commission-sanctioned promotions with televised distribution as competitions of distinguished reputation.

Evidence Submitted

- **Legacy Fighting Alliance (LFA):** The LFA is the official developmental organization for the UFC and operates under athletic-commission oversight in multiple U.S. states. It streams exclusively on UFC Fight Pass, reaching more than 200 countries. Mr. Ferreira is contracted to compete in **LFA 222 at Foxwoods Resort Casino on Nov 14 2025**, the first scheduled event of this petition term. His inclusion confirms that he has met the organization’s international eligibility standards.
- **Combate Global (Miami):** Recognized by ESPN and Univision as the premier Hispanic-market MMA promotion, Combate Global features fighters from over 30 countries. Mr. Ferreira has appeared in multiple main and co-main events since 2022, demonstrating consistent participation in globally publicized competitions.
- **Anthony Pettis Fighting Championship (APFC):** Headquartered in Wisconsin and licensed through state athletic commissions, APFC cards draw ranked fighters from North America and Europe. Mr. Ferreira’s bout against Chris Mecate (2024) was a title match opportunity for the APFC Vacant Featherweight Championship, confirming his placement in an elite competitive tier.

Analysis

Each promotion requires fighters to hold recognized records and medical/licensing clearances from their home countries. Participation in these events is limited to athletes already verified by

state or international regulatory bodies, therefore meeting the “distinguished reputation” requirement. Mr. Ferreira’s consistent selection for televised main and co-main events within these organizations proves that he competes exclusively at an internationally recognized level. Criterion 4 is therefore fully satisfied.

Criterion 5 – Media Recognition and Published Material

Regulatory Standard: 8 C.F.R. § 214.2(p)(4)(ii)(B)(5)

Overview

This criterion evaluates whether an athlete’s achievements have been reported or featured by *independent media or trade publications* of national or international scope.

For combat sports, credible coverage in MMA journalism, major sports outlets, and official promotion channels provides third-party confirmation of international reputation.

Evidence Submitted

1. **LowKick MMA (Jan 31 2025)** – Feature article “*MMA Fighter Secures Brutal Kneebar Submission Followed by a Riot Breaking Out.*”
The piece describes Mr. Ferreira’s viral kneebar finish at *Alash Pride 105 (Taraz, Kazakhstan)* and identifies him as a “Brazil’s José Ferreira” competing in one of Central Asia’s premier promotions. The publication is a top-tier English-language MMA outlet with a global readership.
→ **Exhibit 11**
2. **BJJ Eastern Europe (Feb 2 2025)** – Article “[WATCH] MMA Fighter Submits Opponent With Brutal Kneebar – And A Riot Breaks Out.”
Provides play-by-play analysis of the same fight and links to official broadcast footage, confirming worldwide circulation of Mr. Ferreira’s performance.
→ **Exhibit 8**
3. **CombateGlobal.com (Aug 30 2023)** – Press release “*Combate Global Announces the Return of Undefeated ‘El Tiro Loco.’*”
Announces Mr. Ferreira’s headlining bout on Univision and cites his 11-0 record and relocation to VFS Academy.
→ **Exhibit 9**
4. **FightMatrix / Tapology / Sherdog Databases (Exhs. 6–7, 10)** – Each maintains his verified career results, fight history, and rankings accessible worldwide.
These independent statistical publications are industry-standard sources relied upon by promoters and journalists alike.
5. **Social and Broadcast Evidence (Exhs. 13–14)** – Official Combate Global YouTube episodes feature Mr. Ferreira’s bouts; 409 K-subscriber reach. VFS Academy and ESPN

Deportes repost highlights across platforms, demonstrating cross-market visibility.

Analysis

The volume and diversity of coverage—spanning English, Spanish, and European outlets—illustrate broad international awareness of Mr. Ferreira’s achievements. None of these sources are controlled by the Petitioner, satisfying the requirement for *independent* recognition. Under *Matter of Chawathe*, 25 I&N Dec. 369 (AAO 2010), this independent documentation corroborates every other evidentiary element and shows that Mr. Ferreira’s reputation is “renowned, leading, or well-known in more than one country.”

Criterion 5 is therefore fully met.

VI. Consultation Requirement

Regulatory Standard

Under 8 C.F.R. § 214.2(p)(4)(ii)(E), a P-1A petition ordinarily includes a **written consultation (advisory opinion)** from an appropriate labor organization or peer group with expertise in the sport.

Where no such U.S. body exists, the regulation allows petitioners to submit *alternative documentation* demonstrating both (1) the nonexistence of a domestic peer organization and (2) independent confirmation of the athlete’s international recognition.

Absence of a Domestic Consultation Body for MMA

Unlike baseball, soccer, or boxing, there is **no U.S.-based national labor union or recognized consultation body** for mixed-martial-arts athletes.

Professional MMA in the United States is overseen by **state and tribal athletic commissions** (such as the Nevada, California, Texas, and Mohegan commissions), each independently licensing fighters and sanctioning events.

No organization is authorized by the Department of Labor or USCIS to issue peer-group opinions for immigration purposes.

Therefore, in accordance with the regulation, the Petitioner provides **authoritative alternative evidence** verifying Mr. Ferreira’s standing and eligibility.

Alternative Evidence Submitted

1. Expert Testimony (Exhibits 2–3)

Letters from **Michael Valle**, Owner of VFS Academy, and **Carlos Legaspi**, ESPN Deportes analyst, each confirm that Mr. Ferreira competes at an elite international level.

Both individuals are recognized experts whose professional credentials substitute for a formal advisory opinion under the regulation.

2. Governing-Body Records (Exhibits 6–10)

Independent ranking and results databases—**FightMatrix**, **Tapology**, and **Sherdog**—document his verified record, global ranking (#331 Lightweight, #62 P4P North America), and participation in events requiring internationally recognized athletes.

3. Sanctioning-Commission and Broadcast Documentation (Exhibits 15–16)

- **Legacy Fighting Alliance (LFA)** operates under state athletic-commission rules and streams exclusively on **UFC Fight Pass**, establishing it as a professionally regulated competition.
- The **UFC Fight Pass – LFA Multi-Year Streaming Agreement** confirms the organization's legitimacy and global distribution, evidencing that LFA events meet international competitive standards.

4. Training-Environment Verification (Exhibits 17–18)

Information on **VFS Academy** and media coverage naming **Coach Mike Valle** as 2024 Coach of the Year** (Sportskeeda/MMA Junkie)** further validates that the Petitioner and training environment themselves operate at the apex of the sport.

Analysis

Collectively, these materials replicate the purpose and evidentiary weight of a peer-group advisory opinion. They demonstrate:

- The **nonexistence** of a U.S. MMA consultation body; and
- The **presence of independent, verifiable endorsement** by experts, governing bodies, and sanctioned commissions.

USCIS has consistently accepted such evidence in the absence of a national consultation authority for MMA.

Accordingly, the Petitioner respectfully requests that the Service accept the enclosed

documentation **in lieu of a formal advisory opinion**, consistent with the regulatory allowance under § 214.2(p)(4)(ii)(E).

VII. Contracts & Itinerary

Regulatory Standard

When a P-1A petition is filed by a U.S. employer or agent on behalf of an individual athlete, the regulations require the inclusion of:

1. **A written contract (or summary of an oral agreement)** between the petitioner and the beneficiary; and
2. **An itinerary** describing the dates, locations, and nature of each competition or engagement.
See 8 C.F.R. § 214.2(p)(2)(iv)(E) and § 214.2(p)(4)(ii)(C).

These provisions ensure a clearly defined relationship and confirm that all proposed activities fall within the scope of the classification.

A. Petitioner Agreement (Exhibit 1)

The **VFS Academy – Jose Ferreira Petitioner Agreement** establishes the formal employment relationship for this petition term (Nov 2025 – Nov 2028).

Key provisions:

- **Designation of Petitioner:** VFS Academy, owned by **Michael Valle**, serves as the U.S. employer and representative for Mr. Ferreira.
- **Scope of Activities:** Participation in sanctioned mixed-martial-arts competitions, training sessions, promotional appearances, and community-outreach events coordinated through VFS Academy.
- **Service of Process:** VFS Academy formally accepts service of process on the beneficiary's behalf.
- **Compensation:** Per-event compensation consistent with bout agreements.
- **Duration:** Three (3) years, renewable subject to athletic-commission eligibility.
This contract satisfies the written-agreement requirement of 8 C.F.R. §

B. Competition and Training Itinerary (Exhibit 1B)

Prepared jointly by VFS Academy and Mr. Ferreira, the itinerary reflects realistic, ongoing participation in sanctioned competitions and associated training throughout the United States.

| Date / Period | Event / Engagement | Location | Nature of Participation |
|----------------------------|---|--|--|
| Nov 14 2025 | LFA 222 – Foxwoods Resort Casino | Mashantucket, CT | Professional bout (3×5 min rounds) under state-commission sanction |
| Feb 2026 | Combate Global Event (TBA) | Miami, FL | Broadcast competition (Univision / Paramount Plus) |
| May 2026 | Anthony Pettis FC Event | Milwaukee, WI | Regional televised event |
| Aug 2026 | LFA Midwest Card (TBA) | Hammond, IN | Co-Main Event appearance |
| Dec 2026 – Dec 2028 | Successive Combate Global / LFA cards & training at VFS Academy | Various U.S. cities / Illinois training base | Competitive, promotional, and coaching engagements under VFS supervision |

This schedule documents continuous employment within the permitted classification and demonstrates that all engagements require the participation of internationally recognized athletes.

C. Validity Period

The requested validity period—**November 2025 through November 2028**—covers three full competitive seasons, ensuring stability for both athlete and petitioner while maintaining oversight by a U.S.-based employer.

Conclusion on Contracts & Itinerary

Together, the executed **Petitioner Agreement** and the detailed **Itinerary** fulfill the contractual and scheduling requirements of 8 C.F.R. § 214.2(p)(2)(iv)(E) and § 214.2(p)(4)(ii)(C).

They confirm that:

- VFS Academy is a bona fide U.S. employer with authority to sponsor and supervise Mr. Ferreira;
- Each proposed engagement is legitimate, sanctioned, and within the classification's scope; and
- The beneficiary will maintain continuous professional activity at an internationally recognized level.

VIII. Conclusion & Request for Approval

Summary of Qualification

The evidence contained in this petition clearly demonstrates that **Jose Ignacio Ferreira Muñoz** meets and exceeds the statutory and regulatory standards for classification as an **Internationally Recognized Individual Athlete (P-1A)** under 8 C.F.R. § 214.2(p)(4)(ii)(B).

When viewed under the *preponderance of the evidence* standard established in *Matter of Chawathe*, 25 I&N Dec. 369 (AAO 2010), the record shows that Mr. Ferreira's athletic performance, professional achievements, and international reputation are substantially above that ordinarily encountered among professional MMA athletes.

Key Findings:

- **International Rankings:**
Verified rankings on FightMatrix (#331 Lightweight worldwide; #62 P4P North America) and Tapology confirm his objective standing within the global professional tier.
- **Professional Achievements:**
Multiple victories in televised, commission-sanctioned competitions of distinguished reputation, including Combate Global, Legacy Fighting Alliance (LFA), and Anthony Pettis FC.
- **Expert Recognition:**
Formal attestations from **Coach Michael Valle** (VFS Academy, trainer of UFC champions) and **Carlos Legaspi** (ESPN Deportes analyst) independently affirm his elite ability, discipline, and cross-continental reputation.
- **Media Documentation:**
Independent international press coverage (LowKick MMA, BJJEE, CombateGlobal.com)

and globally accessible fight databases confirm his renown and the global broadcast reach of his performances.

- **Petitioner Relationship & Oversight:**

The executed **VFS Academy – Jose Ferreira Agreement** establishes a bona fide employment relationship, with VFS serving as employer, trainer, and representative under 8 C.F.R. § 214.2(p)(2)(iv)(E).

- **Itinerary & Scope:**

The comprehensive schedule (Exhibit 12) demonstrates continuous engagement in sanctioned professional competitions and training events across the United States from **November 2025 through November 2028**, beginning with **LFA 222 (Foxwoods Casino)**.

Regulatory Compliance

This petition satisfies **all** procedural and substantive requirements for the P-1A classification:

| Regulatory Element | Evidence Provided |
|-------------------------------|---|
| International recognition | Rankings, expert letters, and media coverage |
| Written contract | Petitioner Agreement between VFS Academy and Jose Ferreira |
| Defined itinerary | Multi-year event schedule with verified venues |
| Peer consultation | Alternative expert and sanctioning documentation (no U.S. MMA peer group exists) |
| U.S. employer/agent structure | VFS Academy authorized to coordinate all U.S. engagements and accept service of process |

Accordingly, the record fully establishes that the Petitioner and Beneficiary are in compliance with 8 C.F.R. § 214.2(p)(2)(iv)(E) and § 214.2(p)(4)(ii)(C)–(E).

Request for Adjudication

For the reasons set forth herein, the Petitioner respectfully requests that **U.S. Citizenship and Immigration Services, Texas Service Center**, approve this **Form I-129, Petition for P-1A**

Nonimmigrant Classification, for the maximum period of **three (3) years** to permit Mr. Ferreira to:

1. Compete in mixed-martial-arts events of distinguished reputation within the United States;
2. Train and develop under the supervision of Coach Michael Valle at VFS Academy; and
3. Serve as an ambassador of professional excellence, contributing to the continued recognition of U.S.-based MMA as a sport of global stature.

EXHIBIT 1

PETITIONER AGREEMENT

This **Petitioner Agreement** ("Agreement") is entered into as of 10/14/2025, by and between:

Valle Flow Striking ("Petitioner"), a U.S.-based mixed-martial-arts training and management organization located at 540 N. York Rd., Bensenville, Illinois 60106, duly authorized to act as a petitioner under 8 C.F.R. § 214.2(p)(2)(iv)(E); and

Jose Ignacio Ferreira Muñoz ("Beneficiary"), a citizen of Chile and internationally recognized professional mixed-martial-arts athlete competing under the moniker "**Tiro Loco.**"

Recitals

Whereas, the Petitioner, through its Owner and Head Coach **Michael Valle**, operates as a premier U.S. training institution for world-class mixed-martial-arts athletes, including UFC champions and internationally ranked professionals;

Whereas, the Petitioner is serving in the following capacity under U.S. immigration regulations:

- ☐ Direct Employer
- ☐ U.S. Agent Functioning as Employer
- ☐ U.S. Agent for a Foreign Employer
- ☒ **U.S. Employer and Agent for a Foreign Self-Employed Athlete**
- ☐ U.S. Agent for Multiple Employers

Whereas, in this case, the Petitioner will coordinate the Beneficiary's participation in sanctioned mixed-martial-arts competitions, training engagements, and promotional appearances within the United States, and will ensure compliance with all applicable U.S. immigration and athletic-commission requirements;

Whereas, the Beneficiary is an internationally recognized professional MMA athlete, holding a verified record of **13 wins, 2 losses, and 1 no contest**, and having earned victories in

Combate Global, Legacy Fighting Alliance (LFA), and Anthony Pettis Fighting Championship (APFC) — each an organization of distinguished international reputation;

Whereas, both parties desire to formalize their relationship for the purpose of filing and maintaining a **P-1A Nonimmigrant Petition** on behalf of the Beneficiary;

Now, therefore, in consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

1. Duration

This Agreement shall commence upon approval of the Beneficiary's P-1A petition by U.S. Citizenship and Immigration Services (USCIS) and shall remain in effect for **three (3) years**, beginning on or about **November 2025 and continuing through November 2028**, or until the termination of the Beneficiary's authorized stay in the United States, whichever occurs first.

If USCIS grants a shorter validity period, this Agreement shall automatically conform to the approved term.

2. Scope of Authorized Activities

The Beneficiary's activities under this Agreement are strictly limited to those permissible under P-1A classification and shall include:

- **Competitive Engagements:** Participation in sanctioned mixed-martial-arts (MMA) events of distinguished reputation such as **Legacy Fighting Alliance (LFA), Combate Global**, and **Anthony Pettis Fighting Championship (APFC)**, as detailed in **Exhibit 12 (Itinerary)**;
- **Training and Skill Development:** Full-time training, sparring, and technical development at **Valle Flow Striking (VFS Academy)** under the supervision of Coach Michael Valle;
- **Promotional and Media Activities:** Participation in promotional appearances, weigh-ins, press conferences, photo or video sessions, and media interviews directly associated with his competitions or training;
- **Community and Educational Engagements:** Involvement in outreach, coaching demonstrations, or community programs organized or approved by VFS Academy; and
- **Ancillary Professional Activities:** Practice sessions, strength and conditioning programs, or other customary professional duties incidental to maintaining elite athletic

performance.

The Beneficiary shall **not** engage in any employment, performance, or appearance outside the above scope or beyond the limitations of P-1A status without the Petitioner's written consent.

3. Petitioner's Responsibilities

The Petitioner agrees to:

- **Supervision and Coordination:** Oversee and manage all of the Beneficiary's authorized professional, promotional, and training engagements in the United States;
 - **Regulatory Compliance:** Ensure that all competitions and activities are sanctioned by appropriate state or tribal athletic commissions and conform to USCIS and Department of Homeland Security requirements;
 - **Service of Process:** Accept service of process on behalf of the Beneficiary for all matters arising from this Petition, consistent with 8 C.F.R. § 214.2(p)(2)(iv)(E);
 - **Return Transportation:** Secure reasonable return transportation to Chile should the Beneficiary's authorized stay terminate prematurely through no fault of his own; and
 - **Administrative Support:** Coordinate communications with promoters, sponsors, and athletic commissions and maintain accurate records of all engagements conducted under this Agreement.
-

4. Beneficiary's Responsibilities

The Beneficiary agrees to:

- **Professional Conduct:** Perform all obligations in a manner consistent with the highest standards of sportsmanship, discipline, and professionalism;
- **Participation and Availability:** Compete, train, and appear as scheduled in all events and programs identified in Exhibit 12 (Itinerary) and any subsequent events coordinated by the Petitioner;

- **Regulatory Adherence:** Restrict his U.S. activities exclusively to those authorized under P-1A classification and maintain compliance with all federal, state, and athletic-commission requirements;
 - **Notification and Communication:** Promptly notify the Petitioner of any schedule, travel, or contact-information changes; and
 - **Travel and Documentation:** Maintain valid travel documents, medical clearances, and insurance coverage as required by event regulations and U.S. law.
-

5. Compensation and Expenses

Because the Petitioner functions as both a **U.S. Employer and Agent** coordinating sanctioned professional events, compensation to the Beneficiary shall consist of:

- **Fight Purses and Bonuses** – Payments for competitive appearances, including win bonuses or performance incentives, as determined by the sanctioning promotion or athletic commission (e.g., \$2,000 base purse + \$2,000 win bonus under the LFA 222 Bout Agreement);
- **Promotional or Instructional Fees** – Stipends, appearance fees, or honoraria earned from approved community demonstrations, media appearances, or training clinics organized by VFS Academy; and
- **Expense Reimbursements** – Travel, lodging, and event-related costs reasonably associated with participation in activities coordinated by the Petitioner.

All compensation shall comply with the rules of the relevant **state athletic commissions**, and payments will be made directly by the **event promoters, sponsors, or other payors** — not by the Petitioner itself.

The Petitioner shall assist in coordinating and documenting such payments solely for record-keeping and compliance purposes.

6. Exclusivity and Competing Engagements

During the term of this Agreement, the Beneficiary shall perform **exclusively under the sponsorship and coordination of VFS Academy** for all professional activities conducted within the United States.

The Beneficiary shall not enter into any separate U.S.-based representation, promotional contract, or other competing engagement without prior written approval from the Petitioner.

This clause exists solely to ensure compliance with immigration and athletic-commission requirements and shall **not** limit the Beneficiary's right to compete internationally under arrangements coordinated through the Petitioner.

7. Confidentiality

The Beneficiary acknowledges that, in the course of working with VFS Academy, he may have access to confidential or proprietary information, including but not limited to:

- Training methods, strength and conditioning programs, tactical fight planning;
- Media strategies, sponsor communications, or event logistics; and
- Internal operational, client, or athlete data belonging to the Petitioner.

The Beneficiary agrees not to disclose or misuse any such information during or after the term of this Agreement.

All intellectual property, media content, and training materials created or provided by VFS Academy remain the exclusive property of the Petitioner.

8. Remedies for Breach and Termination

If either party materially breaches any covenant or obligation herein, the non-breaching party may terminate this Agreement upon written notice.

The Beneficiary acknowledges that any unauthorized activity, false representation, or regulatory violation could cause serious harm to the Petitioner's USCIS standing and agrees that the Petitioner shall be entitled to seek **injunctive or equitable relief** without the need to post bond, in addition to any other remedies available under law.

Termination shall not affect obligations already incurred prior to notice of termination.

The Beneficiary's eligibility for return transportation under USCIS rules shall survive termination.

9. Notices

All notices, requests, or communications under this Agreement shall be deemed duly given when delivered by registered mail, courier, or other verifiable method to the following addresses (or such other address as either party may later designate in writing):

To the Petitioner

Valle Flow Striking (VFS Academy)
Attn: Michael Valle, Owner & Head Coach
540 N. York Rd., Bensenville, IL 60106 USA

To the Beneficiary

Jose Ignacio Ferreira Muñoz
Temuco, Chile
Email: tiroloko1998@gmail.com

All notices shall be effective upon confirmed delivery.

10. Non-Assignment

The Beneficiary's rights and interests under this Agreement are personal and non-transferable. This Agreement may not be assigned, sold, pledged, or otherwise transferred by the Beneficiary without the Petitioner's express written consent.

11. Successors and Assigns

This Agreement shall be binding upon and inure to the benefit of the Petitioner, its lawful successors and assigns, and any entity acquiring substantially all of its assets or operations through merger, consolidation, or transfer.

12. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the **State of Illinois, USA**, without regard to its conflict-of-law principles.

13. Counterparts

This Agreement may be executed in multiple counterparts, including electronically or by facsimile. Each executed counterpart shall be deemed an original, and all counterparts together shall constitute one and the same instrument.

14. Entire Agreement

This document constitutes the entire understanding between the parties regarding the subject matter herein and supersedes all prior oral or written agreements. No modification or waiver of any term shall be valid unless made in writing and signed by both parties.

15. Waiver

No waiver by either party of any breach or default shall constitute a waiver of any subsequent breach or default of the same or similar nature. Failure or delay by either party to enforce any provision of this Agreement shall not be construed as a waiver of that or any other provision.

16. Divisibility (Severability)

If any provision of this Agreement is determined to be invalid, illegal, or unenforceable under applicable law, such provision shall be severed, and the remaining provisions shall remain valid and enforceable to the fullest extent permitted by law.

17. Working Conditions & USCIS Compliance Statement

The Petitioner affirms and agrees as follows:

- The contents of this Petition and Agreement are true and correct to the best of its knowledge and belief;
- The Petitioner will accept service of process on behalf of the Beneficiary and any U.S. employers consistent with 8 C.F.R. § 214.2(p)(2)(iv)(E);
- The Petitioner will secure reasonable return transportation for the Beneficiary to his home country if his authorized stay terminates early;

- The Petitioner consents to represent and coordinate all engagements for the Beneficiary during the approved validity period; and

*Re: Recommendation Letter for Mr. Jose Ferreira
(P-1 Visa Classification)*

To Whom It May Concern,

My name is Carlos Contreras Legaspi, a reporter and correspondent professional combat sports, including boxing and mixed martial arts, for over 15 years in publications like Milenio Diario from 2011 to 2019 and ESPN Deportes from 2020 to date. I am writing in strong support of Mr. Jose "Tiro Loco" Ferreira in connection with his petition for a P-1 visa to continue his career as a professional mixed martial artist in the United States.

As a journalist, I have covered more than 200 live events across México, the US, Canada and Brazil, reported extensively on international MMA talent and emerging prospects from Latin America who have gone on to compete on the global stage, including fighters who now hold contracts with the UFC, PFL, and Combate Global. Based on my professional experience covering the sport, I can affirm that Jose Ferreira is an athlete of extraordinary ability who has already gained significant international recognition.

Jose Ferreira's accomplishments speak for themselves:

- Professional Record: 13 wins, 2 losses, 1 No Contest (per Tapology and Sherdog records).
- Promotions: Competed in Combate Global, a premier MMA

promotion broadcast throughout the U.S. and Latin America.

- Recent Performance: Won by TKO (punches) on April 10, 2025, showcasing his high-level skill set.
- Media Recognition: Covered by international MMA outlets such as Sherdog, Tapology, and FightMatrix, where he is currently ranked (#320 Lightweight globally).
- Fan Base: Known by his nickname "Tiro Loco," he has developed a strong following among Spanish-speaking MMA fans.

Through my professional coverage, I have observed that Jose is more than a promising fighter — he is a marketable athlete with the potential to make a meaningful impact in the U.S. MMA scene. His skill, charisma, and professionalism distinguish him from his peers and make him an asset to any major promotion.

For these reasons, I strongly recommend that Mr. Jose Ferreira's P-1 visa petition be approved. His international record and public recognition fully align with the criteria for this classification, and I am confident he will continue to achieve great success in the United States.

Please feel free to contact me should you require additional details or verification regarding his professional career.

Sincerely,

Carlos Contreras Legaspi

His proven international competitive record, public recognition, and demonstrated skill make him precisely the kind of athlete the P-1 classification is designed for. I have no doubt he will bring honor and high performance to U.S. promotions and reflect well on our sport.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

There are no claims or arbitration, mediation or litigation actions pending or threatened that interfere or could adversely affect **Fighter** full and complete performance under this Agreement, or **LFA's** unimpaired exercise of the Granted Rights. **Fighter** enters into this Agreement of **Fighter** own free will, without any requirement from **LFA** that **Fighter** execute this Agreement as a condition precedent to participating in any Bout, is not subject to duress of any kind, and is not presently under the influence of any Controlled Substance or any disability, whether physical or mental, that would or could prevent **Fighter** from fully and completely performing all of **Fighter's** obligations under this Agreement.

In the event that:

- a. A physician licensed or recognized by the Commission certifies that **Fighter** is mentally or physically disabled to such an extent that **Fighter** cannot participate in the Bout as scheduled or if **Fighter** fails to complete and be medically cleared for the medical examination required by the **Promotion Contract**; or

[WATCH] MMA Fighter Submits Opponent With Brutal Kneebar – And A Riot Breaks Out

 bjjee.com/bjj-news/watch-mma-fighter-submits-opponent-with-brutal-kneebar-and-a-riot-breaks-out

BJJEE1 Admin

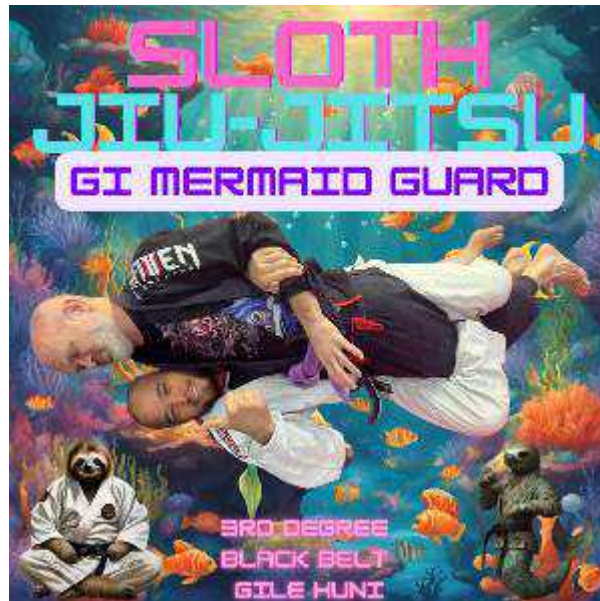

February 2, 2025

Muhammadrizvon Kahorov found himself caught in a tight Kneebar submission by Brazil's José Ferreira early in the first round of their bout at Alash Pride 105...

Kahorov resisted as long as he could before tapping out – but what followed was complete chaos.

Alash Pride is one of the premier MMA promotions in Central Asia, providing a platform for fighters from Kazakhstan and surrounding countries to compete at a high level. The organization has gained recognition for developing talent in the region, and its events are known for their intense matchups.

During his fight with Ferreira, Kahorov found himself in trouble almost immediately. Within the first minute, Ferreira worked for a Triangle Choke and Armbar – before transitioning to a Kneebar submission.

Kahorov held on for ten seconds before ultimately tapping out.

And then, chaos erupted.

As Ferreira approached to shake hands with his opponent, Kahorov responded by landing a punch to Ferreira's head.

The referee quickly intervened, but Ferreira attempted to throw punches around the official.

Within moments, both fighters' corners stormed the cage, escalating the situation. Check out the video below:

COMBATE GLOBAL ANNOUNCES THE RETURN OF UNDEFEATED “EL TIRO LOCO” LIVE ON UNIVISION ON SATURDAY, SEPT 2

 combateglobal.com/en/combate-global-announces-the-return-of-undefeated-el-tiro-loco-live-on-univision-on-saturday-sept-2

JOSE “EL TIRO LOCO” FERREIRA LOOKS TO EXTEND HIS PERFECT RUN AGAINST DANGEROUS VETERAN LEONARDO “CHIMMY” MORALES

IN FEATHERWEIGHT MAIN EVENT ACTION

MIAMI – August 30, 2023 – COMBATE GLOBAL today announced a complete Mixed Martial Arts (MMA) fight card, headlined by the return of undefeated featherweight (145 pounds) sensation, **Jose “El Tiro Loco” Ferreira** (11-0), on **Saturday, Sept. 2, UNIVISION** at **1 a.m. ET/10 p.m. PT** from Miami.

The 25-year-old Ferreira, a native of Santiago, Chile will collide with *The Ultimate Fighter: Latin America: 3* competition reality television series runner-up, **Leonardo “Chimmy” Morales** (12-7).

Ferreira, an expert wrestler and savvy striker who has earned 72 percent of his career wins to date by way of (T)KO or submission, re-located to Chicago, Ill. two years ago to join Valle Flow Striking (VFS), the fight team led by Mike Valle.

Since joining the ranks of COMBATE GLOBAL last year, Ferreira has been on a tear, winning all three of his fights in La Jaula.

In his last start, the Chilean pulled off his greatest win to date, scoring a a third round (1:58) TKO (punches) on Mexican star Martin “El Toro” Bravo, the winner of the *The Ultimate Fighter: Latin America: 3*.

Morales, a 30-year-old native of Managua, Nicaragua, is a four-time veteran of COMBATE GLOBAL competition with an outstanding finish rate of 75 percent.

The Nicaraguan’s last COMBATE GLOBAL effort saw him earn a unanimous decision over Miami’s Ryan “Third Street Savage” Kuse last November 18.

In featured, main card women’s action, unbeaten **Veronica Vargas** (2-0) will make her COMBATE GLOBAL promotional debut against **Fernanda Larios** (2-3).

Vargas, 33, hails from San José, Costa Rica and has never been beaten as either an amateur or professional in either MMA or Muay Thai, in which she has posted a combined 9-0 record between her amateur and professional careers in the stand-up combat sport.

To date, Vargas has never been taken past the second round in an MMA bout.

The 22-year-old Larios of Guadalajara, J.L., Mexico is seeking her third straight victory after getting off to a rocky start with her professional career less than three years ago.

Larios, in her last two performances, scored back-to-back first round knockouts, stopping Naomie Young with a barrage of punches at the 4:05 mark of the opening round when they faced off last September 9, and finishing Marisol Ruelas in similar fashion, in 3 minutes and 43 seconds on March 11.

In a featured flyweight (125 pounds) affair, **“Malicious” Mikey Reyes** (8-6) will square off with **Carlos “Chacal” Reyes** (4-3).

The 31-year-old Mikey Reyes, a resident of Oxnard, Calif., is a veteran of 10 COMBATE GLOBAL fights, and is looking to bounce back from a second round (2:11) submission (guillotine choke) defeat at the hands of Enrique Pacheco.

At their most recent event, Tajikistan's Muhammadrizvon Kahorov faced José Ferreira. Within the first minute of the bout, Ferreira was working for a triangle choke and armbar, before [transitioning](#) to a kneebar submission. Abdurakhmonov held on for ten seconds before tapping out.

What followed afterward was pandemonium. Ferreira approached to shake hands with his opponent and then Abdurakhmonov struck him with a punch to the head. The referee then stepped in and Ferreira began to punch around the referee to land shots. The corners jumped the cage and got involved including a jumping kick landing against Abdurakhmonov.

UFC welterweight champion Belal Muhammad currently trains under the tutelage of MMA coach Mike Valle. Apart from Muhammad, Valle works with other current and former UFC champions like Julianna Pena and Yair Rodriguez.

At the end of 2024, MMA Junkie declared Valle the 'Coach of the Year'. The outlet uploaded a post to their Instagram account to announce the result.

The post caught the attention of Muhammad, who left a three-word response in the comments section:

| "Real ones know."

'Remember the Name' competed once in 2024. He went up against [Leon Edwards](#) for the welterweight throne at [UFC 304](#). The event took place on July 27 at the Co-op Live in Manchester, England.

Ad

Trending

Muhammad used his grappling prowess to outclass Edwards for the majority of the 25-minute fight and scored a unanimous decision victory.

Pena, another fighter coached by Valle, also had one fight in 2024. She locked horns against Raquel Pennington for the bantamweight belt in October at UFC 307.

The bout turned out to be a razor-close affair that ended with a split-decision win for 'The Venezuelan Vixen'.

What's next for Belal Muhammad in the UFC?

Belal Muhammad was scheduled for his first title defense against Shavkat Rakhmonov at UFC 310 in December. Unfortunately, the champion had to withdraw from the fight due to an injury.

Ad

Ian Garry stepped in as a replacement for Muhammad and fought Rakhmonov. The replacement fight was a highly competitive bout that ended with a unanimous decision victory for 'Nomad'.

Although no official announcement has been made by the UFC yet, fans expect the promotion to reschedule the showdown between 'Remember the Name' and Rakhmonov.
